

Mrs K Shaw - Curriculum Committee

My name is Katherine Shaw, and I have been a governor at Padnell Junior School for the past 4 years. Initially I joined as a parent, my youngest son having attended the school, but I have recently become co-opted. I am the chair of the Curriculum and Standards committee and the governor responsible for inclusion. I am currently a student teacher, training in primary teaching and will qualify in July 2024. I have a particular interest in inclusive practice, and this informs my approach to both governance and teaching. Being a governor is one of the most worthwhile things I do, and extremely interesting! When not entirely caught up in the world of education, I enjoy reading, walking my dog and baking.
